Lenten Fish Fries a Big Hit

The K of C Lenten fish fries have really taken off in the last 2 years. The new recipes and equipment have really paid off in larger numbers of people served. We are averaging around 230 people a week up about 30-40 over last year and 50-60 over previous years. We would like to thank all our patrons over the years for making this a worthwhile endeavor. Thank you also goes out to all who helped this year, we had a great crew headed by Brent Scheve. We also appreciate all that the Boy Scouts do to help us out throughout the season . If you have any suggestions or comments on things you might like to see in the future ,don't hesitate to let us know. As you all know this money goes to scholarships for Catholic youths and for several other charities around the parish and around the world.

Work has begun on the new building that the Knights are constructing behind the school, we will be using this building to store our fish fry equipment and for use during these and other events. We hope to have it at least in place by June 1 of this year. Pictures to follow.

Speaking of college we want to make sure that all our students are aware of a program we sponsor called FOCUS, It is a program that is on most campuses that promotes Religion and good values,if you need any more info please call Gary @ 1-712-249-9001.

WE would like to thank the Boy Scouts for all their help with the fish fries and now in the future with our highway cleanup project. We are at this time looking for a single brother or several brother knights to head up this project. This project is twice yearly and only takes a couple hours. Any help would be appreciated.
